Poll Worker Recertification Training Classes

Poll Worker Recertification Training classes for over 1,800 Poll Workers will be held throughout the year. Training for some will be held in the Spring, others in the Summer and Fall.

Some Poll Workers will receive letters in the next few weeks asking them to sign up for class. If you do not receive a letter at this time, don't worry, we will be sure to reach out to you before the Presidential General Election in November.

Summer & Fall Classes will include evening and weekend classes to accommodate all.

All Poll Workers who did not attend training in 2015 must be recertified by the November Presidential Election.

New Poll Workers will be trained this Spring in separate sessions.
